## Side Panel

---

# Slimliner

## Slimliner Version A (5080)

### Components:

Slim Trolley  
Digispot  
Sliding Hammer  
Innopuller  
3 Hammers  
Dentliner  
3 Pulling Bars  
1 Bag of Bits  
8 Meter Cable

## Slimliner Version B (5085)

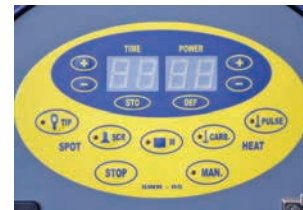

### Components:

Slim Trolley  
Digispot  
Sliding Hammer  
Dentliner  
3 Pulling Bars  
1 Bag of Bits  
Bit Welding Adaptor  
8 Meter Cable

# Welders

## Digispot (5101)

### Functions:

- Automatic
- Manual
- Ground welding
- Tip shrink
- Carbon shrink

## Digispot complete (5100)

## Digispot with Trolley (5105)

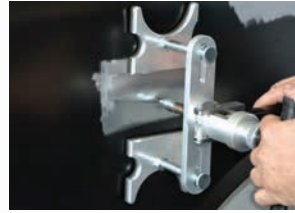

## Alumet (6000)

---

## Sheet Metal Aluminium

For both aluminium and sheet metal applications  
No burn marks on rear side

## Alumet Slimliner A (6106)

---

### Components:

- Slim Trolley
- Alumet
- Dentliner
- 3 Pulling Bars
- Innopuller
- Innopuller Alu Adaptor
- 3 Hammers
- 8 Meter Cable

## Alumet Slimliner B (6107)

---

### Components:

- Slim Trolley
- Alumet
- Innopuller
- Innopuller Alu Adaptor
- 8 Meter Cable

# Innopuller (5600)

---

Easily adjustable feet

Precise adjustable height

## Hand tool application

Hand pull

Shrinking

Bit welding

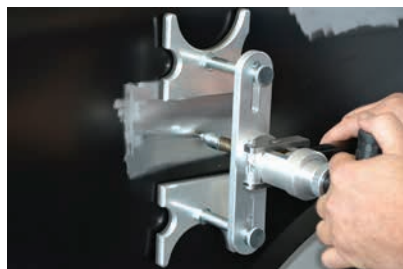

Sliding hammer

## Puller application

Different base shapes

Wide feet space

Application with hammer

## Hammer Set (5800)

---

1 X Small V Hammer  
2 X Medium Hammer  
2 X Large Hammer

## Welding Bits

---

Straight Bits (5700)

Twisted Bits (5710)

## Pulling Bars (5905)

---

6 different lengths w/o  
hooks

## Sliding Hammer (5110)

---

## Bit Gun (5750)

---

Easily loadable  
30 bits  
To be used with the Innopuller and  
Sliding hammer

## Flatline Laser (5140)

---

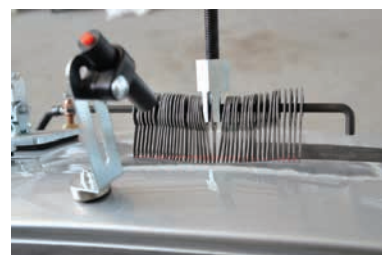

Alignment of decals

Welding line

Pulling line

# Spare Parts

Part Part no.

Welding Tip Sliding Hammer 5111

Shrinking Tip Sliding Hammer 5112

Carbon Stick 5113

Coupling for Carbon Stick 5115

Ground System 5121

Welding Tip Innopuller 5601

Shrinking Tip Innopuller 5602

Tip for Bits 5603

Small Sliding Hammer Weight 5609

Brass Thread Cover 5610

Innopuller Adaptor for Alu 5612

Bit Welding Adaptor Sliding Hammer 5117

Digispot T - Connector 5107

Magnetic Flatline 5150
