

JALTEST CENTRAL SERVICES

Jaltest Central Services is a new pay-per-use service, that allows clients to contact our expert technicians, who will assist them in carrying out exclusive functions that could not be performed with Jaltest or any other aftermarket tool until now, such as the reprogramming of certain ECUs.

Reference	Description	Price
70810000	Jaltest Central Services - Calibration update Cummins	225,00 €
70810001	Jaltest Central Services - Central computer calibration update International	135,00 €
70810002	Jaltest Central Services - Parameter modification Paccar MX PCI, GHG14, GHG17	180,00 €
70810003	Jaltest Central Services - Copy and paste DAF SAC parameters	135,00 €
70810006	Jaltest Central Services – Volvo/Renault DXI EAC1+ Programming	135,00 €
70810007	Jaltest Central Services – DAF EBS 3 ECU Programming NEW	225,00 €
70810008	Jaltest Central Services – VIC-3 DAF Euro 6 ECU Programming NEW	225,00 €
70810009	Jaltest Central Services – Iveco Euro 6 ECU VCM parameter modification (0 “Coins” required) NEW	180,00 €
70810010	Jaltest Central Services – Iveco payment gateway “Coin”	90,00 € (Net price)
70810011	Jaltest Central Services - Reset of EEPROM memory and Deutz EMR4 - EDC17 CV52 counters	180,00 €
70810015	Jaltest Central Services – Programming or updating of Volvo/Renault V3/V4 ECU FCIOM calibration	225,00 €
70810016	Jaltest Central Services – Programming of new Iveco ECU Hi-Tronix (Traxon) power take-off (1 “coins” required)	225,00 €
70810017	Jaltest Central Services – Programming of new Iveco ECU VCM immobilizer step 2 power take-off (1 “coins” required)	225,00 €
70810018	Jaltest Central Services – Parameter modification of Iveco ECU HI-TRONIX (Traxon) power take-off (1 “coin” required)	180,00 €
70810019	Jaltest Central Services – Parameter modification of Iveco ECU VCM Immobilizer Step 2 power take-off (1 “coin” required)	180,00 €
70810020	Jaltest Central Services – Mercedes-Benz EGS/VGS NAG2.1 ECU programming	225,00 €
70810022	Jaltest Central Services – Mercedes-Benz GEN4 MCM ECU Programming NEW	225,00 €
70810023	Jaltest Central Services – Mercedes-Benz GEN4 CPC ECU Programming NEW	225,00 €
70810024	Jaltest Central Services – Mercedes-Benz GEN4 ACM ECU Programming NEW	225,00 €

Reference	Description	Price
70810025	Jaltest Central Services – Mercedes-Benz GEN4 TCM ECU Programming NEW	225,00 €
70810026	Jaltest Central Services – Mercedes-Benz GEN4 EBS (WABCO) ECU Programming NEW	225,00 €
70810027	Jaltest Central Services – Mercedes-Benz GEN4 SSAM ECU Programming NEW	225,00 €
70810028	Jaltest Central Services – Mercedes-Benz GEN4 MDD ECU Programming NEW	225,00 €
70810029	Jaltest Central Services – Mercedes-Benz GEN4 MDP ECU Programming NEW	225,00 €
70810030	Jaltest Central Services – Mercedes-Benz GEN4 MPC ECU Programming NEW	225,00 €
70810031	Jaltest Central Services – Mercedes-Benz GEN4 VRDU ECU Programming NEW	225,00 €
70810032	Jaltest Central Services – Iveco CBU ECU Programming (1 "Coin" required) NEW	225,00 €
70810033	Jaltest Central Services – Mercedes-Benz CDID2 ECU programming NEW	225,00 €
70810034	Jaltest Central Services – DAF EURO 6 ECU CMF parameter modification NEW	180,00 €
70810035	Jaltest Central Services – Parameter modification of Volvo/Renault DXI Euro 3,4,5 chassis identifier NEW	180,00 €
70810036	Jaltest Central Services – Parameter modification of Mercedes-Benz ECU ASAM power take-off NEW	180,00 €
70810037	Jaltest Central Services – DAF Euro 6 EST-54 ECU programming NEW	225,00 €
70810038	Jaltest Central Services – DAF ECS-DC4/ECS-DC5 ECU programming NEW	225,00 €
70810039	Jaltest Central Services – DAF ECS-DC3 ECU programming NEW	225,00 €
70810043	Jaltest Central Services – DAF ECS-DC6 ECU programming NEW	225,00 €
70810044	Jaltest Central Services – Mercedes-Benz GEN4 RCM ECU programming NEW	225,00 €
70810045	Jaltest Central Services – Volvo/Renault V4 IC ECU programming NEW	225,00 €
70810046	Jaltest Central Services - Volvo/Renault V4 ECU VMCU parameter modification NEW	180,00 €
70810047	Jaltest Central Services – DAF EBS 2 CAN ECU programming NEW	225,00 €
70810048	Jaltest Central Services – Volvo/Renault Euro 6 APM (EAC2) ECU programming NEW	135,00 €
70810049	Jaltest Central Services - PRV Valve Volvo/Renault V4 parameter modification NEW	225,00 €
70810050	Jaltest Central Services – MAN EAM ECU programming NEW	135,00 €
70810051	Jaltest Central Services – Detroit Diesel ACM ECU Programming (1 "Coin" required) NEW	225,00 €

Reference	Description	Price
70810052	Jaltest Central Services – Detroit Diesel CPC ECU Programming (1 “Coin” required) NEW	225,00 €
70810053	Jaltest Central Services – Detroit Diesel MCM ECU Programming (1 “Coin” required) NEW	225,00 €
70810054	Jaltest Central Services – Detroit Diesel TCM ECU Programming (1 “Coin” required) NEW	225,00 €
70810055	Jaltest Central Services – Detroit Diesel payment gateway “Coin” NEW	240,00 € (Net price)
70810056	Jaltest Central Services – Programming or updating of Volvo/Renault V3/V4 ECU RCIOM calibration NEW	225,00 €
70810057	Jaltest Central Services - DAF Euro 6 BBM ECU programming NEW	225,00 €
71101000	Jaltest Central Services – PCI DAF Euro 6 >2017 ECU programming NEW	225,00 €
71101001	Jaltest Central Services – Mercedes-Benz ECU GEN4 EAPU programming NEW	135,00 €
71101002	Jaltest Central Services – Volvo/Renault V4 ACM ECU programming NEW	225,00 €
71101003	Jaltest Central Services – Mercedes-Benz GEN4 SSAM ECU parameter modification NEW	180,00 €
71101004	Jaltest Central Services – Volvo/Renault V4 EBS ECU programming NEW	225,00 €
71101005	Jaltest Central Services – Volvo/Renault V3/V4 TECU ECU programming NEW	225,00 €

Optional cables

Reference	Description	Price
JDCM2150	Cummins ECM CM2150. Insulation harness	246,00 €
JDCM2250	Cummins ECM CM2250. Insulation harness	246,00 €
JDCM2350/2450	Cummins ECM CM2350/2450. Insulation harness	246,00 €
JDCM2670/2880	Cummins ECM CM2670/2880. Insulation harness	311,00 €
JDCM850	Cummins ECM CM850. Insulation harness	246,00 €

Note: To purchase those functions whose description indicates X “COINS” REQUIRED, it will be also necessary to purchase:
 The corresponding Jaltest Central Services reference (applying the distributor's usual discount on the indicated price).
 The number of “COINS” required indicated in the Jaltest Central Services reference (at the net price of €90.00).

Note: The ATS Department might require that the user has any of the previous cables.
 Note: The version of Jaltest Link must be V7 or later to be able to purchase the service.
